NINJA 外伝™ GAIDEN

<STORY>

Handed down since the turmoil of the Medieval Warring States, these five secret Ninjitsu assassination techniques live on in the jungle of an American megapolis. A thousand years of blood curdling wars at your fingertips.

<Ninja's Five Techniques>

The Ninja in this game has perfected the five techniques of the Triple Blow Combination, the Flying Neck Throw, the Hang Kick, the Phoenix Backflip and the Tightrope Walk.

As he scours each zone to eliminate unsolvable, he is aware from behind signs, trash cans, and telephone booths.

His mission is to fight his way through six of the original warlordhoods in America as he collects these items and destroys the assassination squads.

Triple Blow Combination
(two wheel kicks and a punch)

Flying Neck Throw

Hang Kick

Tightrope Walk

Phoenix Backflip
